

Breaking Down

DAY6

It's not the world
But it's me that's near the end
Losing you was losing everything I had

It's been awhile
Since I've noticed the first crack
But your eyes always locked me up
And just had to watch myself fall

Kanpeki kara hanarete
Hitsuyōna no wa
Jikan to kimi no kokoro o
Modosu koto
But I can't

I'm breaking down
Chirabatte iru
Sukoshizutsu kiete yuku
In the dark

Itsu ka
Subete kowaretara
Please find my pieces
And put me into one

You seem just fine
Almost better on your own
I don't blame you
Cuz heart never breaks the same

Mōichido
Boku o yonde kurereba
"Koishikatta"
"Aitakatta" to
Namidawonagasudarou

Kanpeki kara hanarete
