I've been quietly living
In a deep tunnel
That swallowed up the light
On the dark road ahead,
I can't see a single step ahead
I can't see anything
I can't feel anything

Me in the black and white photo
My world that has spread black
I'm so tired, I'm so tired
Now I'm so sick of it
The colors of you that I see from time to time
It raises me up because
You're the only one with your own color

I try holding out my hand
To catch you
But you get farther away

Hold out your hand
Color me like that red sunset
So I won't lose myself
(Colors, colors)

I'm running out of breath
As I run to the deep ocean
That swallowed up the stars

I see the dry land
From far away
But your touch is like the sweet rain
It colors my heart

The colors of you that I see from time to time
It raises me up
(If you could, save me)

I try holding out my hand
To catch you
But you get farther away

Hold out your hand
Color me like that red sunset
So I won't lose myself
(Colors, colors)

On top of my world that's filled with scribbles
(Colors, colors)

With your white hand
Cover me with your color

I try holding out my hand
To catch you

But you get farther away

Hold out your hand
Color me like that red sunset
So I won't lose myself

Hold out your hand
Hold out your hand
