

# Congratulations

DAY6

I don't even know how I can talk to you now  
It's not you, the "you" who talks to me anymore  
And, sure, I know that sometimes it gets hard  
But even with all my love, what we had, you just gave it up

Thought we were meant to be  
I thought that you belonged to me  
I'll play the fool instead  
Oh, but then I know that this is the end, oh-oh

Congratulations, glad you're doin' great (Oh)  
Congratulations. How are you? Okay? (Oh)  
How could it be so fine, can see it in your eyes  
The same look that you gave me that kills me inside, oh

I don't even need to ask, yeah, I know you too damn well, yeah  
I can see that smile and can tell that you did more than move on  
I hate that you're happy, I hope that you can't sleep  
Just knowing that I could be with somebody new  
That I'd be just like you

So, hey, there's a couple things I should say to you  
I promise I'd be good if I could, but yeah  
I'm sorry I'm not sorry, I can't be happy for you, no  
And, hey, that's great, must be nice to not feel anything  
'Cause I'm feelin' the same way, okay, I don't give a (Ah-ah-ah-ah)

Congratulations, glad you're doin' great (Oh)

Really, wow, girl, congratulations, you couldn't wait two months,  
So impatient. Your SNS pages are now full of smiley faces  
But I'm singin' this with DAY6 so I give you my best wishes  
'Cause I am over you, we over-due, no problem sayin',  
"How do you do?", "Oh, I been good"  
My days have been so good to me, thankfully  
Oh, you used to be muse to me, my best memory, truthfully  
But, that's 'bout it. The end

Congratulations, so you win again (Oh)  
Congratulations, you just took away (Oh) our memories so far  
They're gone just like you are, now all I have is  
Me and it's getting too hard, no

I saw it on your face, yeah, I knew you too damn well, yeah  
I heard you laugh and knew that you did more than move on  
I hate that you're happy, I hate that I can't sleep  
Keep thinkin' 'bout how he now seems better off too  
Just like I was with you
