DAY6

Kibō to yū kotoba
Soko ni ukabu
Kimi to kizuita mirai ga
Itsu kara ka kuzurete itta

Everything s falling falling
All of it is crashing
Falling down on me
Te ni nokoru no wa sore dake datta

Everything s falling falling
All of it is crashing
Know it s cause of me
Hitori de samayou kurayami no naka de
Kono mama

In that place we set fire
Warmed the walls with stories like
How we d build this roof so high
Like all kids do

Ano toki no hidane kara
We burned

Everything s falling falling
All of it is crashing
Falling down on me
Te ni nokoru no wa sore dake datta

Everything s falling falling
All of it is crashing
Know it s cause of me
Hitori samayou kurayami no naka de
Kono mama
Kono mama

Kimi ni mukatte utaisakebu
Kimi no kokoro ni wa todokanai
Feel nothing on the other side

Everything s fallen fallen
All of it is burned
And Fallen down on me
Hai no naka ni uzumoretoku

Everything s fallen fallen
All of it is dust I
Know it s cause of me
Itsu made mo kako dake o egaite
Ikirudarō
