Since you left,
It's been a while
But even when you weren't here
I always had you by my side
I put my hand in my pocket so you can always
Link your arms with mine
Why are you making me like this?
(Why did you do that babe)
Every day is the same, I'm running around a wheel
I really hope this feeling changes
Not having what you want
Makes your heart hurt, I'm only human

I guess this is what they call a habit
In an empty room with no one inside
I'm waiting for you to return

My hand habits that touched you, my hand habits toward you
My mouth habits that called you, my mouth habits for you
I'm calling out to you in the empty air
I'm beckoning to find you
You became my habit
Became my habit

Became my habit

Things that I did with you still
Remains with me a lot
Even though you're not by my side,
My body reacts again
My ring is in my pant's pocket
So I can put in on anytime
Why are you making me like this?
(Why did you do that babe)

The tomorrows that I always promised with you
It only leaves me behind as it's fading from me
I keep trying to fill that empty spot,
Running until my feet wear out but I'm at the same place

I guess this is what breaking up is
As if nothing happened
I'm getting used to being alone again

My hand habits that touched you, my hand habits toward you
My mouth habits that called you, my mouth habits for you
I'm calling out to you in the empty air
I'm beckoning to find you
You became my habit
Became my habit

My mouth habits that called you
Entwining fingers when we held hands
Became my habit yeah yeah

My hand habits that touched you, my hand habits toward you
My mouth habits that called you, my mouth habits for you
I'm calling out to you in the empty air
I'm beckoning to find you
You became my habit
Became my habit

Even though you changed, I haven't changed
You remain in me
You became my habit
Even though you changed, I haven't changed
You remain in me
You became my habit
Even though you changed, I haven't changed
You remain in me
You became my habit
