You are you, I am me
We lived without knowing each other but
With a hello
You and I became a we
With a low voice
Slightly shaking with a fluttering heart
I went in front of you
And carefully said these words

Hi (hello)
Every time I say hi to you
It makes my heart flutter

Hi (hello)
As we exchange those words
We're starting our own story

Me, to you, you, to me
We used to mean nothing to each other but
With a hello
You and I have finally become one

Filled with happiness
In your face
You look at me
And I go to you
And say those loving words

Hi (hello)
Every time I say hi to you
It makes my heart flutter
Hi (hello)
As we exchange those words
We're starting our own story

Just by looking at each other
Makes our hearts overwhelmed
But after we say hello
I am so happy

Hi (hello)
Every time I say hi to you
It makes my heart flutter
Hi (hello)
As we exchange those words
We're starting our own story
