Oh how can I

I hate me now
I hate myself for not having butterflies
From some point,
My heart doesn't react anymore
Hate me now
I wish your feelings would cool down
Those eyes that look at me
I wish there was no love in them
Baby, you tell me
You love me, so brightly
I want to tell you, me too (no no no)
When you look at me
So warmly
Do you know that it's already over? (sorry)

How can I say it?
When you're still so happy
Whenever you're with me?
How can I say it?
I can't bear to tell you
That my heart has already left
Oh how can I say

I hate me now
I hate myself for being like this
For feeling so comfortable
When I'm away from you
Hate me now
I wish you would figure it out
Don't show me a smile
With those endlessly clear eyes

Baby, you tell me
You love me, so brightly
I want to tell you, me too (no no no)
When you look at me
So warmly
Do you know that it's already over? (sorry)

How can I say it?
When you're still so happy
Whenever you're with me?
How can I say it?
I can't bear to tell you
That my heart has already left
Oh how can I say

(I don't love you no more)
No more
(I don't love you no more)
I want to love you but I can't
(I don't love you no more)
My heart has already left
(I don't love you no more)
I can't love you no more

How can I say it?
When you're still so happy
Whenever you're with me?
How can I say it?
I can't bear to tell you
That my heart has already left
Oh how can I
