

# I Wait

DAY6

I wait  
□□□□ □□□  
I'll be standing still all day  
Don't you worry I'm ready  
Say it  
I wait  
□□□□□□  
You know I won't make you stay  
Baby I will be okay  
Say it  
Every time (Whatchu doin')  
I try (Whatchu doin')  
To leave (Whatchu doin')  
I can't  
You got me (Whatchu doin')  
Hangin' (Whatchu doin')  
Again Oh-no  
Whenever (Whatchu doin')  
I ask (Whatchu doin')  
Your answer's always vague  
I think I'm (Whatchu doin')  
Goin' (Whatchu doin')  
Insane  
Baby I'm lost in a maze (I wait)  
Stuck in the haze (I wait)  
□□□□□□ So what can I do  
(Eh eh)  
Baby don't turn away  
Stop playin' me  
□□□□□□□□ Hard to get  
Waiting all day  
I wait  
□□□□□□  
Don't know when but someday  
Till you say  
That you'll let me in  
I wait  
□□□□□□  
Cuz you're always in my head  
Or just take it all away  
With you  
Every time (Whatchu doin')  
I try (Whatchu doin')  
To leave (Whatchu doin')  
I can't  
You got me (Whatchu doin')  
Hangin' (Whatchu doin')  
Again Oh-no

□□□□□□ So what can I do  
(Eh eh)

Baby don't turn away  
Stop playin' me  
□□□□□□□□ Hard to get  
Waiting all day  
Trapped inside I lost the way  
Nothing I can do no  
I need your light □□□□□□□□
