I'm sorry  
Why was that  
So hard to say back then?  
Now  
No matter how much I yell  
You can't hear me  
Seeing you walk away  
I should've caught you then

One more time, back to that day  
Just one more day, back to that time  
If only I could go back  
If I could go back  
Oh I know I

I would hold you  
So you won't be apart from me  
For even a moment  
I would give you my everything  
I would have

Once more, back to those times  
It would have been  
Once more, back to those times

Thank you  
Why was that  
So hard to say?  
Now  
I can't even thank you  
Anymore

Words I couldn't bear to say  
I should've still told you

One more time, back to that day  
Just one more day, back to that time  
If only I could go back  
If I could go back  
Oh I know I

I would hold you  
So you won't be apart from me  
For even a moment  
I would give you my everything  
I would have

When you were leaving me  
I shouldn't have let you go

One more time, back to that day  
Just one more day, back to that time  
If only I could go back  
If I could go back  
Oh I know I

I would hold you  
So you won't be apart from me  
For even a moment  
I would give you my everything  
I would have

I would have  
I would have  
I would have  
I would have
