너무 좋아해서
너도 좋아할까 봐
너한테 물어봐
너도 좋아할까
너도 좋아할까
너도 좋아할까
I don't know, no

너도 좋아할까

Maybe tomorrow, tomorrow, tomorrow

Maybe tomorrow, tomorrow, tomorrow

No matter what I do, nothing ever changes
Still, I try this and that
But the pain surrounding me doesn't seem like it's going away
It feels like this moment will last forever
Come on time, flow away, look how I am right now
Tears keep welling up, so I lift my head to hold them back
Where's the path I'm supposed to take in my blurry world?
I don't know, no

When tomorrow comes, it might be better than today
This burning wound might hurt a little less
I wait for the day to get my smile back
Maybe tomorrow, tomorrow, tomorrow
When tomorrow comes, it might be warmer than today
This skin-piercing coldness might die down a little
I wait for the spring to embrace my heart
Maybe tomorrow, tomorrow, tomorrow

I want to send it over, even if forcibly
Because it feels like the next might be okay
Even if I can't see it getting better
I repeat the days, imagining what lies beyond

When tomorrow comes, it might be better than today
This burning wound might hurt a little less
I wait for the day to get my smile back
Maybe tomorrow, tomorrow, tomorrow

And so on, tomorrows will pile up
And then one day
The day I waited for will come to me

Mm-mm
Woah-oh
Oh, woah-oh, oh, oh-oh
Tomorrow

When tomorrow comes, it might be warmer than today
This skin-piercing coldness might die down a little
I wait for the spring to embrace my heart
Maybe tomorrow, tomorrow, tomorrow
