When you called me after midnight,
Asking me to pick you up
As if I was waiting, I ran to you
This isn't the first time,
Why am I doing this?
I keep getting dragged around
I don't know I don't know
I don't know why I'm doing this
However you treat me,
I accept it all baby
But today, you're pushing me away
These games of push and pull, stop it baby

I think I'm crazy, this isn't right
Ooh ooh
I think I'm out of my mind, this isn't right
Ooh ooh

Why can't I let you go?
I don't know, strangely, I keep doing this
I keep going back to me
I don't know, strangely, I keep doing this

Even when yesterday passed
And today came to an end
You didn't even call to tell me you made it home okay
I'm not a fool
But why am I doing this?
I keep getting dragged around

I don't know I don't know
I don't know why I'm doing this
However you treat me,
I accept it all baby
But today, you're pushing me away
These games of push and pull, stop it baby

I think I'm crazy, this isn't right
Ooh ooh
I think I'm out of my mind, this isn't right
Ooh ooh

I think I'm gonna collapse from this exhaustion
I don't expect you to be my wife
I don't expect you to be my life partner
But just think of me a little more, it's simple
Even if I'm going crazy, I need ya
I can't push you away, even if I try
I've looked into the mirror and told myself,
Let's forget her
But the only thing that changes is my anxious heart

I think I'm crazy, this isn't right
Ooh ooh
I think I'm out of my mind, this isn't right

Ooh ooh

Why can't I let you go?

I don't know, strangely, I keep doing this

I keep going back to me

I don't know Strangely, I keep doing this

Strangely, I keep doing this
