

# Stop The Rain

DAY6

White turns to black  
Sora ga sukoshi zutsu yodondeku  
Machiukeru mirai o utsusu  
The coat of paint that you had drawn on me will wash away  
Nagareru namida mo ame to issho ni  
Kiete iku with all of your colour tonight

Sei ichi bai nigete mo no change kobande mite mo  
I know now that it's gonna follow me

How can I stop the rain  
Somebody close the gate  
Kono ame o yamaseru yō ni oshiete kure  
I'll do anything

The clouds are rushing in  
Everything fading grey  
The lights zetsubō no naka ni suikomaretoku

Kimi no egao ga kieta sono shunkan  
Sora wa kuroi kumo ni ōwareta  
Kimi ga inai asu o nagekudarō

Somehow thought I was climbing over I can't feel me now  
I'm getting deeper and my cries are drowning out  
Kono mama owaru no ka

No change kobande mite mo  
I know now that the ending will stay the same

How can I stop the rain  
Somebody close the gate  
Kono ame o yamaseru yō ni oshiete kure  
I'll do anything

How could I've stopped the end  
There's nowhere left to stay  
Baby you paint over my life  
Without you don't really know if I'll be alright

The clouds are rushing in  
Everything fading grey  
The lights zetsubō no naka ni suikomaretoku
