With the power of love

Isn't it incredible?
A power to erase the feeling of hopelessness
Finding the way you lost and
Makes you look forward to the future even more
Isn't it wonderful?
A power that gives you a courageous force that was not there before
Makes you push out the fear and makes you run with open arms

I was walking weakly
And in pain every time I fall
Tears that are about to trickle down
Holding on to my heart
For you

You need the power of love
Power of love
It will be all good if it is that
Like the light pushing out the darkness
A feeling of bliss

Oh, in the name of love
Name of love
I believe it will change for you
You're going to get it back
The smile you lost
With the power of love

Nothing is impossible
The power that helps you step forward
Turns even the dull world, fancy
To the point of spectacle

You whose shoulders are weary
On the verge of collapse
With exhausted facial expressions
For you

You need the power of love
Power of love
It will be all good if it is that
Like the light pushing out the darkness
A feeling of bliss

It's called love
Feel the power
Don't hesitate
Don't doubt it
Don't you worry, try it now

You need the power of love
Power of love

It will be all good if it is that
Like the light pushing out the darkness
