

# Drift Away

Daya

Better sin on your lips, you're an angel  
Let me in, light me up  
Like a candle

No I don't wanna talk  
So put away your thoughts  
I know you're wide awake  
And I'm still your to take  
Before the moment fades

Come to me  
I'm in the darkness  
Half asleep in your apartment  
Baby, please  
Take me before we drift away  
Come to me, I'll kiss the daylight  
On your face, no time for goodbyes  
Baby, please  
Take me before we drift away

All the hurt, all the pain  
It's a cruel world  
Heaven is never far  
When I'm lying in your arms

No, I don't wanna talk  
So put away your thoughts  
I know you're wide awake  
And I'm still your to take  
Before the moment fades

Come to me  
I'm in the darkness  
Half asleep in your apartment  
Baby, please  
Take me before we drift away  
Come to me, I'll kiss the daylight  
On your face, no time for goodbyes  
Baby, please  
Take me before we drift away

I'm yours, yours for the taking  
Before the moment is fading  
Don't stop, don't keep me waiting  
I'm yours, baby, just take me

Come to me  
I'm in the darkness  
Half asleep in your apartment  
Baby, please  
Take me before we drift away  
(Before I drift away)  
Come to me, I'll kiss the daylight  
On your face, no time for goodbyes  
Baby, please  
Take me before we drift away
