Daya

Uh, uh, 'cause I can't sleep without you  
No I don't want to dream about you  
Wish I had my arms wrapped around you  
Insomnia

I've been out for 2 days  
Tylenol PM ain't workin'  
Losing track of time babe  
(Insomnia)  
My mind is runnin' too fast  
The shadows on the wall keep lurkin'  
I wish that you would come back  
(Insomnia)

I keep on hoping to find you  
Reaching in between the sheets  
Baby, it's only been one night  
Feel like it's been like a week  
Tossing and turning, tossing and turning  
Flipping the pillow, pulling the curtains  
(I got, I got, I got)

Insomnia-a  
'Cause I can't sleep without you  
No I don't want to dream about you  
Wish I had my arms wrapped around you  
Insomnia

Insomnia-a  
'Cause I can't sleep without you  
No I don't want to dream about you  
Wish I had my arms wrapped around you  
Insomnia

I can hear your voice now  
Keeping me awake 'til morning  
Can see you with the lights out  
(Insomnia)

I keep on hoping to find you  
Reaching in between the sheets  
Maybe it's only been one night  
Feels like it's been like a week  
Tossing and turning, tossing and turning  
Flipping the pillow, pulling the curtains  
(I got, I got, I got)

Insomnia-a  
'Cause I can't sleep without you  
No I don't want to dream about you  
Wish I had my arms wrapped around you
