

The Difference

Daya

Can't you see
How everything you do it takes a hold of me
Every second feeling never-ending til you speak
Yeah some would say they think before they're in too deep

You got me feeling like
If I were to lose you
Maybe I'd lose myself too

If you were to say goodbye
Wouldn't ever want another
Baby, I wonder

Do I want you or need you?
I don't know the difference
I want you to come close
No, don't keep your distance
If our love is broken
Then I don't wanna fix it
Do I want you or need you?
I don't know the difference
I don't know the difference
Na na, na na, na
I don't know the difference
Na na, na na, na

At the start
Was looking for excuses to keep us apart
Finding reasons not to let it go too far
I let you in, I must've had a change of heart
Cuz look where we are

You got me feeling like
If I were to lose you
Maybe I'd lose myself too

If you were to say goodbye
Wouldn't ever want another
Baby, I wonder

Do I want you or need you?
I don't know the difference
I want you to come close
No, don't keep your distance
If our love is broken
Then I don't wanna fix it
Do I want you or need you?
I don't know the difference
I don't know the difference
Na na, na na, na
I don't know the difference
Na na, na na, na

If our love is broken
Then I don't wanna fix it
Do I want you or need you?
I don't know the difference

I don't know the difference
Na na, na na, na
Na na, na na, na

If you were to say goodbye
Wouldn't ever want another
Baby, I wonder

Do I want you or need you?
I don't know the difference
I want you to come close
No, don't keep your distance
If our love is broken
Then I don't wanna fix it
Do I want you or need you?
I don't know the difference

Do I want you or need you?
I don't know the difference
I want you to come close
No, don't keep your distance
If our love is broken
Then I don't wanna fix it
Do I want you or need you?
I don't know the difference
I don't know the difference
Na na, na na, na
I don't know the difference
Na na, na na, na

If our love is broken
Then I don't wanna fix it
Do I want you or need you?
I don't know the difference
I don't know the difference
