

Dogfarts

Dayglo Abortions

One day when I was home alone
Just me and the dog holding the phone
I gave my pal a piece of cheese
It was limberger the cheese that pleezes

Oh oh oh oh oh oh oh he had to go
Oo oo oo oo oo oo oo Number 2
Ar ar ar ar ar ar ar it was to far
Or or or or or or or to the door

There was shit and piss all over the place
My dog Wallace had gone to pieces
There was a revolting oder in the air
It was limberger the cheese that pleezes
