Gutter Ball

Dayglo Abortions

I am a lazy cunt spend most my time getting drunk
I don't have a fancy car and I don't drink in classy bars

The older I get the closer I am
To the side of the road and the garbage can
I'm a gutter ball

But I don't want you to feel shitty
And I don't need your goddamn pity
I'm a gutter ball

I know I'm down on my luck but I don't give a fuck
Just gimme 5 bucks and I'll go get fucked up

The older I get the closer I am
To the side of the road and the garbage can
I'm a gutter ball

But I don't want you to feel shitty
And I don't need your fucking pity
I'm a gutter ball

Don't judge me just because I'm free
And you are all slaves to your credit cards
I am fine I'm happy most the time
Can't you see I was born to be a gutter ball
