

Isn't This Disgusting

Dayglo Abortions

So you wanna talk about obscenity EH?
Like the way you treated that hooker last night,
Far fucking out dude you really dominated her
And just think she's about the same age as your
daughter
You fucking pig

And how 'bout your daughter you still beat her or do
you f**k her
Now too like your whole damn family when you take them
out to McDonalds
Burger King and stuff their fucking ugly faces full of
that diarrhea
Do you know what I mean like all I wanna know is when
are you gonna open
Your eyes and take a look around and realize that its
your greed and

Materialism that's destroying this planet
So why don't you shut the f**k up
About censorship cause it's you
That i'm singing about
Asshole

Penetration Fornication Strangulation
Grab a dog spreads its legs ram it in
When I say these things I probably get under your skin
But you probably get horny and masturbate after beating
your kid

Well isn't this disgusting and aren't we gross
But it's the things that you do
That really are the most

Lets talk about your kids have you ever fucked one of
them up the ass
Or perhaps you prefer to go downtown and pay for
someone else's
If they had a real execution on TV you'd probably watch
it then say
The sucker got what's coming as you jacked off in the
closet

Well isn't this disgusting and aren't we gross
But it's the things that you do
That really are the most
