

The Idiot

Dayglo Abortions

I'm an idiot and I don't care
It doesn't bother me when the people stare
My mind is blank I don't get confuzed
Cause I can't think with a blown fuse

I'm an idiot and I don't give a shit

I can't read or write or tie my shoes
The government pays for my food and my clothes
I live in a big apartment building
Low income family dwellings
