

## Woah Man

Dayglow

No matter what the distance  
It doesn't make a difference  
If you can't see that light anymore

Yeah, you've already told me  
This same ol' tale of glory  
But you're still on that same side of the door  
So, tell me what you're feeling like this for

Woah, man  
You've really gotta let this go, man  
'Cause if you wanna keep on growing  
You've gotta leave some things behind  
You've gotta step out of that mind  
This time

You're thinking of an instance  
The memory's persistent  
And you can't seem to shake it from your mind  
So, listen to me closely  
But look around you mostly  
There's so much more to love that you will find  
Once you wipe those tears away from both your eyes  
And let 'em dry

Woah, man  
You've really gotta let this go, man  
'Cause if you wanna keep on growing  
You've gotta leave some things behind  
You've gotta step out of that mind  
This time

Woah, man  
You've really gotta let this go, man  
'Cause if you wanna keep on growing  
You've gotta leave some things behind  
You've gotta step out of that mind  
This time
