

## Another Flaw

Days of the New

Yeah, I've got another flaw, it's bad enough as it is  
Attention at it's worst, the best is waiting  
For our care, my heart cries out!  
Yeah, who in the world would have thought this is where I'm at?

Yeah, I've got another flaw, it's bad enough as it is  
Tell me what to do! What can I do? Where can I live?  
Let go!

I've got another flaw, tearing me at my soul  
Too much to do. What can I do? Where do I start getting there?  
Let love in, I said there's too many times that I've never cried  
More than shit, more than I can take

Yeah, I've got another flaw, it's bad enough as it is, tearing  
at my soul  
What can I do? What can I say?  
Yeah, I've got another flaw, tellin' me what to do  
What can I do? Where do I start? How do I live?  
Let go!

Forgive men, let love in  
I said there's too many times that I've cried  
More than news to take in  
I will never succeed, I'll never go!

I've got another flaw, it's bad enough as it is?  
Tell me what to do, what will I do? What will I say?  
I've got another flaw, tearin' at my soul  
Too much to do, what can I do? Where do I start, to let go?
