

Bring Yourself

Days of the New

I can see your everthing
Don't you know it's not hard to bring
Bring yourself to me, you know
It's the world that you'd like

I can see your everthing
Don't you know it's not hard to bring
I can see that the world, you know
Is the one left behind

I can see that the world, you know
It's the world that you'd like
I can see that the world, you know
Is the one left behind

I can see your everthing
Don't you know it's not hard to bring
Bring yourself to me, you know
It's the world that you'd like

I can see your everthing
Don't you know it's not hard to bring
I can see that the world, you know
Is the one left behind

I can see that the world, you know
It's the world that you'd like
I can see that the world, you know
Is the one left behind

Ride that horse on in
I said we've been waiting for a long time, yeah
We've tried to pick you up
But you've just tried to bring us down
So why don't you just keep it between the fire and the place
What the hell
So why don't you just ride that horse on in
I said we've given you the strength to (bring yourself)
So why don't you stay a while
Have some children
Raise a family
Is this what you want
Is this what you came for
I said we've given you the strength to (bring yourself)
I said we've given you the strength to (bring yourself)
Given you the strength to (bring yourself)
Given you the strength to (bring yourself)
Given you the strength to (bring yourself)
Given you the strength to (bring yourself)
Given you the strength to (bring yourself), yeah
So bring yourself
Oh, and bring yourself
Yeah, so bring yourself
Oh, and bring yourself
Ohhh

Yeah, so bring yourself

Oh, so bring yourself, yeah

I can see that the world, you know
It's the world that you'd like
I can see that the world, you know
Is the one left behind
I can see that the world, you know
It's the world that you'd like
I can see that the world, you know
Is the one left behind
