Daysend

Call this retribute
Call this open truth
Call this my salute
Call this severance.

Call this retribute
Call this misspent youth
Call this my abise
This is my severance day

My way

And it's all of my soul that i give
And it's my way

Call this non-dilute
Call this I'll repute
Call this tainted fruit
Call this severance

Call this over-shoot
Call this double proof
Call this my uproot
This is my severance day

My way
