

Spellbound

Dayshell

Punch me, I feel nothing
Abuse me, kick me to the floor
Cut me up, make me crawl to your feet
You know I need this, you know I need this
Stop playing dumb!

You know you want this, shut the fuck up
Stop playing dumb!
You know you want this, shut the fuck up
Stop playing dumb!

You cast your spell on me

I, I smell desire
You, you come to me
I haven't had enough!

You know you want this, shut the fuck up
Stop playing dumb!
You know you want this, shut the fuck up
Stop playing...

You cast your spell on me
You cast your spell on me

How can you cast your spell on me?
We long for all time

Fuck me!

You cast your spell on me
You cast your spell on me
