

Goin Gorillaz

Daz Dillinger

I woke up early this morning with a bed full of bitches
You know the night before I had 'em goin' gorilla
Had this little vanilla, you know she rolling it nigga
You know she wanted to smoke so go blaze up a switcher
She had the urge to try, super found some liquor
I told her nasty, she knew I wanted my dick up
So she introduced me to her best friend's sister
I said 'how you doing? My name Daz Dilly'
And started taking straight shots to get her fucked up quicker
So I knew from the jump in I be jumping up in her
I was beating it up, face down, ass up
Because that's the way the real nigga like to fuck
So I took her 'bout that pussy, started rocking the crowd
Row full of bad bitches, they all going wild
They already know I'mma style, going all for that loud
Light 'em up guaranteed, I be knocking her down

I got her goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz

She got a mouth full of smoke, blow it in the street
They say I'm epic by the way I flow, killer beta it
Got two Glock's talk shit, nigga let it spit
Ain't no strength into the street, I'm 'bout this G shit
Catch me coming out, first round drop it
With my big guns buy myself a motherfucking mansion
Yeah, I'm shitting on these niggas who be talking
Riding like a AK, leave 'em in the coffin
Let the devil off from off that gnarly green dolphin
Like the Olsen twins, proceed my block with caution
Yeah, we off that green god that we low ride
It's how we do it, motherfucker, on this side
Like the green thug, my status is my mind state
I bought a big booty bitch up on my birthday
All you gotta do is buzz me in when you see my face
I ain't worried 'bout the word, that's why a nigga here today
Ride here to lick and taste, vibe to the shit I say
I got 'em, got 'em goin', goin' crazy like an ape, you get there

I got her goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz

Ring the alarm, ring the alarm
Say what? A bad bitch on the loose, nigga
Ring the alarm, ring the alarm

I see a nigga I'mma shoot
Ring the alarm, ring the alarm
Say what? A bad bitch on the loose, nigga
Ring the alarm, ring the alarm
I see a nigga I'mma shoot 'cause I'm

I got her goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
Goin', goin' gorillaz, goin', goin' gorillaz
Goin' gorillaz, goin' gorillaz
