

Breathe

DC Breaks

Burning brighter than the brightest flame when we were young
If you want it, if you need it
Tired of the darkness, yeah I'm ready to let go
If you want it, if you need it

Don't panic or shiver, let it wash away your sins
'Cause I'm ready to begin

You got me holding on for longer
It's getting harder to believe
If what doesn't kill you makes you stronger
Then why is it so hard to breathe?

Then why is it so hard to breathe?

Lose ourselves forever as we're moving to the light
Do you want it? Do you need it?
Don't panic or shiver, let it wash over your skin
'Cause I'm ready to begin

You got me holding on for longer
It's getting harder to believe
If what doesn't kill you makes you stronger
Then why is it so hard to breathe?

Then why is it so hard to breathe?
