

Faithless

DC Breaks

[Verse]

It's getting colder, getting darker now
I feel it underneath my skin
Everything changes when the lights go out
And I lose myself again, again

[Chorus] (x2)

Cause I'm faithless, heartless
And if I lose my mind
Would I be able to feel it
Watching over me now?

[Verse]

[Chorus] (x2)

[Half-Verse]

[Chorus] (x2)
