Between You And Me

Sorrow is a lonely feeling Unsettled is a painful place I've lived with both For far too long now Since we've parted ways

I've been wrestling With my conscience And I found myself to blame If there's to be any resolution I've got to peel my pride away

Just between you and me I've got something to say Wanna get it straight Before the sun goes down

Just between you and me Confession needs to be made Recompense is my way to freedom now

Just between you and me I've got something to say

If confession is the road to healing Forgiveness is the promised land, oh I'm reaching out in my conviction I'm longing to make amends, yeah

So I'm sorry for The words I've spoken For I've betrayed a friend We've got a love That's worth preserving And a bond I will defend

Just between you and me I've got something to say Wanna get it straight Before the sun goes down

Just between you and me Confession needs to be made Recompense is my way to freedom

Just between you and me I've got something to say

In my pursuit of God I thirst for holiness As I approach the Son I must consider this

Offenses unresolved Will keep me from the throne Before I go to Him My wrong must be atoned If there's to be any resolution I've got to peel this pride away Ooh, whoa, whoa, whoa

Just between you and me I've got something to say Wanna get it straight Before the sun goes down

Just between you and me Confession needs to be made Recompense is my way to freedom

It's my way to freedom It's my way to freedom It's my way to freedom I've got something to say So let me say it today

It's my way to freedom
It's my way to freedom
I've got something to say
Confession needs to be made

It's my way to freedom It's my way to freedom I've got something to say Confession needs to be made

It's my way to freedom
It's my way to freedom
I've got something to say
