Free at last, free at last I thank God, I'm free at last Free at last, free at last I thank God, I'm free at last

Have you heard? Listen carefully I can't stop

Free, free, I'm free at last
I thank God Almighty, I'm free at last
Free, free, I'm free at last
I thank God Almighty, I'm free

'Cause I'm free, free at last And I'm free, from my past, and I'm free Free from sin, and I'm free And I ain't going back again

Shackles had me down but he gave me a new sound So reclaim my name from the lost and found Ya see, something's got me jumpin' and I think it's the way That he can take a hard man and turn him into soft clay

Out of the darkness, the father has sparked this The spirit's alive while the flesh is a carcass If you're seriously curious about my past Well I once was lost but I'm free at last

Free, free, I'm free at last
I thank God Almighty, I'm free at last
Free, free, I'm free at last
I thank God Almighty, I'm free

'Cause I'm free, free at last And I'm free, from my past, and I'm free Free from sin, and I'm free And I ain't going back again

Oppression was in session and my life was the term But when I heard about the word I was willing to learn About a flavor I could savor and a brighter tomorrow 'Cause this could never be endeavored by a wish on a star

The father first receives us, the truth then frees us Forgiven, now I'm living like a man full of Jesus It was hell until I fell upon my knees and prayed But now the yoke that I was totin' has been taken away

Free, free, I'm free at last
I thank God Almighty, I'm free at last
