

## In The Air

DC Talk

Do, do, do, do, do, do, do, do  
There in the air  
Do, do, do, do, do, do, do, do  
There in the air

I had a dream last night about the other side  
And I must confess that it was quite the ride  
I had a dream last night and the fact that you weren't there  
Gave me quite the scare (uh huh)  
Ya see, people were afloat all around me  
Yet their weightless state never seemed to astound me  
Everything was grand till I noticed one thing  
That you, my friend, weren't on the scene  
(Time for this)

Do, do, do, do, do, do, do, do  
There in the air

I've been workin' all morning trying to spin my dream  
Cause I just can't believe you weren't in my dream  
Remember you and I said we would paint the sky  
And the leaves on the trees and the stars at night  
We made beats and we even wrote rhymes  
And played golf, I think, a million times  
Now we never got around to spiritual matters  
But we sure made time for our mindless chatter  
(Go DJ... ???)

(Say what?)  
I wanna see you there  
In the the air  
One day we'll be singin' (Hallelujah)  
I wanna see you there  
In the the air  
One day we'll be singin' (Hallelujah)

(Hello) wassup (wassup) how ya doin' (just fine)  
I was sorta wonderin', could we make the time  
(Just to kick it) why not at our usual spot  
Latte's in May, mine cold, yours hot  
(So where we goin') much deeper than our usual chat  
(Like who's beats is weak and who's beats is phat)  
Nah, my man, this some next level junk  
(Like when we discussed if Tiger Woods could dunk)  
Just meet me there, seven o'clock, rain or shine ???  
With a fat cup of bean and a wide open mind  
(Man that's heavy)

I wanna see you there  
In the the air  
One day we'll be singin'  
There in the air  
(Hallelujah)  
I wanna see you there  
In the the air  
One day we'll be singin'  
There in the air

(Hallelujah)
