I see the moon, a million stars are out tonight Gentle reminders of the way You are A sea of glass, a raging storm has come to pass You show Your face in an array of ways My feet may venture to the ground But You will never let me down I can't hold it in My soul is screaming Hey you, I'm into Jesus Hey you, I'm into Jesus, oh yeah Hey you, I'm into Jesus Hey you, I've seen the truth and I believe I know You're there I feel Your love through my despair You speak the words that ease away the pain My heart is free, my eyes are clear My soul is healed Now that You have got a hold on me My feet may venture to the ground But He has never let me down I can't hold it in My soul is screaming Hey you, I'm into Jesus Hey you, I'm into Jesus, oh yeah Hey you, I'm into Jesus Hey you, I've seen the truth and I believe I still believe, I still believe Hey you, this kid is back And I do declare the sun is shinning Hey you, this kid is back With a red alert and it might be blinding Hey you, the kid is back And I do declare the sun is shining Hey you, the kid is back My feet may venture to the ground Hey you, I'm into Jesus Hey you, I'm into Jesus, oh yeah Hey you, I'm into Jesus Hey you, I've seen the truth and I believe Hey you, I'm into Jesus Hey you, I'm into Jesus, oh yeah Hey you, I'm into Jesus Hey you, I've seen the truth and I believe One time, one time Jesus bled On the third day He rose again Can I get a witness for the things He did? One time, one time Jesus bled

But then He rose again

I've seen the truth
I believe, yeah I believe
