## Luv Is A Verb

(Take this mark for a ride) Boom! Burn! Bip! Yeah! Pow! Hey, ha ha. Down with the dc Talk, d- d- down with the dc Talk Are you down with the dc Talk, d- d- down with the dc Talk

Pullin' out my big black book Cause when I need a word defined that's where I look So I move to the L's quick, fast, in a hurry Threw on my specs, thought my vision was blurry I looked again but to my dismay It was black and white with no room for grey Ya see, a big "V" stood beyond my word And yo that's when it hit me, that luv is a verb

Words come easy but don't mean much When the words they're sayin' we can't put trust in We're talkin' 'bout love in a different light And if we all learn to love it would be just right

Hey, tell me haven't ya heard? Luv is a serious word Hey, I think it's time ya learned I don't care what you say I don't care care what ya heard The word luv, luv is a verb

Down with the dc Talk, d- d- down with the dc Talk Are you down with the dc Talk, d- d- down with the dc Talk

Thinkin' of a way to explain-o Cause ya' know when I'm flowin' like a bottle of Drano Simple and plain, L-O-V-E Ain't all that junk that ya see on TV Put soaps on a rope cause they ain't worth copin' with It's a myth that there ain't no hope and Luv is enough if it's unconditionally Givin' now you're living out the Great Commission

Back in the day there was a man Who stepped out of Heaven and he walked the land He delivered to the people an eternal choice With a heart full of luv and the truth in His voice Gave up His life so that we may live How much more luv could the Son of God give? Here is the example that we oughta be matchin' Cause luv is a word that requires some action

[repeat chorus 2 x4]
