

11:30

DC the Don

Like what'd he say?  
(Yeah, yeah)

It's 11:30, I woke up and I'm in a hurry  
Call me dead wrong I been livin' dirty (Yeah)  
He a actor, a Charlie Murphy  
Throw my glasses on, now I'm feeling nerdy (Yeah)  
Sippin' on Henn' got my vision blurry  
Not an alcoholic, you ain't gotta worry (What?)  
But I'm somewhere lost in Missouri  
So I'm sippin' now until I'm feeling worthy (Ooh)  
Heard you lookin' for me from a little birdy, yeah  
When I call your phone, it says do not disturb me, yeah  
Now it's hella clear, you never did deserve me, yeah  
I'ma call it quits at 11:30

Yeah, yeah  
I'ma call it quits at 11:30, yeah
