

Epidemic

DC the Don

Aye Mr. that always be question me pressing me
I had yo main bitch undressing me aye
I don't concern em I said we can burn him
They said DC you need some therapy aye
6 feet turn em, put him on a T-shirt
Rock him like accessory aye
Big bad colonel put him in the grave
Lay his pussy ass successfully aye

Ok get his ass that's a necessity aye
When I'm up in these streets feel like Sesame aye
'Cause these grouchy ass niggas ain't testing me aye
Thought I told you I been had the recipe aye
Tryna break her back back back back back chemo fucking therapy aye
When I pull up in that black
Who the fuck is that
With that fucking dexterity aye
I see em I see em got clarity aye
Knock his ass off solidarity aye
And you boostin off my popularity aye
All this free clout I'm running a charity aye
He don't got no longevity aye
Doo-doo-doo-doo-doot coming in heavily aye
And it's Outlaw the gang leave a legacy aye
How you love me and hate me? That's jealousy aye
I can see a enemy point em out yeah him especially aye
Ooh nigga I can't wait to beat yo ass he gone get the best of me aye
Left, right, uppercut, fatality that's my fucking specialty aye
Now yo jaw swollen eyes big like the nigga just popped some ecstasy aye
Ok I cut him up did that shit medically aye
Yeah, we in the South like the fucking confederacy
You niggas really ain't got no integrity
I know yo bitch really wanna have sex with me aye (aye)
You on her phone beggin' her for some sympathy
She on my dick telling me that she missing me (aye)

Aye Mr. that always be question me pressing me
I had yo main bitch undressing me aye
I don't concern em I said we can burn him
They said DC you need some therapy aye
6 feet turn em, put him on a T-shirt
Rock him like accessory aye
Big bad colonel put him in the grave
Lay his pussy ass successfully aye

I been that nigga since I was a jhit light that lil nigga like he was a bic
He sending shots, I bet that he miss big-biggie mad, I know that he pissed
Lil bitty bitch stay the fuck off my dick
You got Corona I know that you sick
I'm not a kid I don't want no Trix
I'm in my bag I can't take no pics aye
Big ass choppa and it's fast with the long grip
She gon' keep asking for the cash 'til the song hit
I like it fast so I do the dome flip
Adventure Time slides I fuck in my home fit
That's that young nigga shit that's that young nigga shit
YNW free my young nigga jhit

LV artillery on my hip
It could hold a ray gun and a flamer and shit
Stop calling me I'm a gamer lil bitch
Khaled boy on this bitch
I'm a singer lil bitch
Earth moon on my motherfucking finger and shit
Got a cougar little bitch
She a swinger and shit
Take off skate don't linger lil bitch
Paint off, face I'm feigning lil bitch
I cut through I'm threading the needle and shit
I'm tryna make hits like The Beatles lil bitch

Aye Mr. that always be question me pressing me
I had yo main bitch undressing me aye
I don't concern em I said we can burn him
They said DC you need some therapy aye
6 feet turn em, put him on a T-shirt
Rock him like accessory aye
Big bad colonel put him in the grave
Lay his pussy ass successfully aye

Ok get his ass that's a necessity aye
When I'm up in these streets feel like Sesame aye
'Cause these grouchy ass niggas ain't testing me aye
Thought I told you I been had the recipe aye
Tryna break her back back back back back chemo fucking therapy aye
When I pull up in that black
Who the fuck is that
With that fucking dexterity aye
