

# Megalodon

DC the Don

What  
Haha  
Yeah  
Fuck!  
What, what  
Yeeahhh

Big scope on a nigga long range  
Goth shit in my drip gold fangs  
Shawty known for sucking dick, no name  
Human Torch I got that fucking propane  
Who that knocking at my fucking door mane?  
Fuck it let them bodies hit the floor then  
CJ, where the fuck is the dope man?  
EA pass the ball bitch I'm open  
Catfish we gone get to exposing  
Niggas acting tough we dumping DeRozan  
Nigga make a little noise think he chosen  
You ain't lit you just having a moment  
Going crazy where the fuck my opponents?  
Pussy, frail, and fake make all your components  
4th quarter now you niggas is choking  
Spot a link I swear to god bitch we on it

I feel like diablo (why?)  
Imma fill em with hallows  
I'm Aventador swerving them potholes  
Tryna take everything that you got hoe  
Come and meet me right outside the spot hoe  
Need you to go link with bro it's a plot hoe  
When you get in the crib, send the addy  
So we can pull up and just take all his guap hoe  
We gone run in that bitch like  
BOOM BOOM BOOM  
And we ain't gon' knock hoe  
Like I'm savage I need me a lot hoe  
Bitch you know not to fuck with my vatos  
They gone turn your beloveds to tacos  
Finna chop eem up shoutout to guapo  
6 foot 7 they tossing the lob hoe  
Truthfully I am all that you not hoe  
Feel like gunna I made this bitch hot hoe  
Play me no  
Hate me no  
Play me no  
Hate me no  
Ruthless, when I pull up spitting like I'm toothless switch the flow up  
Niggas still a nuisance need to grow up  
Ice baguetties on me make a nigga throw up  
Wait  
Drip check need to glow up  
Wait  
Misstep nigga hold up  
Wait  
MB with the floater  
Dropping like 50 every quarter  
I'm finna murder 'em

Burden 'em  
Fully discourage 'em  
Cut off his limbs  
Grill the opp pack we burning 'em  
Niggas always on my dick I'm concerning 'em  
We ain't friendly on big Meechie we hurting 'em  
I'm like fuck that  
Hop up off my dick  
Smith & Wesson we gone bust that  
Aim it at his kids  
Know the demons finna love that DC off the shits  
Nigga tell me where the club at  
We finna go Columbine that bitch  
Yeah  
American phycho  
The Don  
Go ahead repent your wrongs  
Nigga you taking too long  
Angel wings bitch thats my new Saint Laurent  
Crucifixes we ain't making no songs  
Eternal doom when you fuck with The Don

Pussy welcome to the Megalodon

Big scope on a nigga long range  
Goth shit in my drip gold fangs  
Shawty known for sucking dick, no name Human Torch  
I got that fucking propane  
Who that knocking at my fucking door mane?  
Fuck it let them bodies hit the floor then  
CJ, where the fuck is the dope man?  
EA pass the ball bitch I'm open  
Catfish we gone get to exposing  
Niggas acting tough we dumping DeRozan  
Nigga make a little noise think he chosen  
You aint lit you just having a moment  
Going crazy where the fuck my opponents  
Pussy, frail, and fake make all your components  
4th quarter now you niggas is choking  
Spot a link I swear to god bitch we on it
