Ridin around in that rove, stepping on toes, I'm the OG on the low

Lately this shit getting old, the parties, the hoes, outbalance the high with the lows  
She drowning, I'm staying afloat, don't get up my hopes, I feel like I'm pinned to the ropes  
I grew up surrounded by mold, and work on the stove, I'm living my lifestyle on go  
My bitch bad So she just act like a 3 year old  
I been lacking, bitch I'm still undefeated though  
Give her dick, if she don't want it I'll leave her lone  
I'm not stopping, bitch I'm lit but I need the throne  
I'm not stopping, bitch I'm lit but Ma need a home  
I'm not stopping till I'm dead and I'm in the tomb  
I'm in my lane, I'm not trippin, what he be on  
I'm on hush mode, why the fuck would I need a phone  
I'll let you know when the feeling is right  
I'll let you know when I'm feeling alright  
I'll let you know when the timing is right  
I'll let you know when I'm booking the flight  
I'll let you know when I'm off of that dro and I'm vibing and roaming the city tonight  
I'll let you know when I'm losing control and I need you to come cause I'm losing my life
