### DC the Don

Oh my god, this is- this is DC The Don's drink! Woah, no way

I just broke up with my bitch and now I'm single, ayy  
And now I wanna mingle, had to tell her two times 'cause the bitch bilingual

Started feelin' like Scott Pilgrim vs. the World, all my exes been trippin',  
yeah  
Need a chill pill right now 'cause a nigga got anxious, refill my prescriptions,  
please

And I hope you remember me, ayy  
When you drunk off Hennessy, ayy  
With this Hennessy, you and me, ayy  
I'ma dream a new galaxy, ayy  
I've been trippin' on god and I note it  
I stay down and I'm truly devoted, ayy  
And it feel like Lil' Daij got promoted  
If it came out my mouth then it probably got quoted  
My young niggas with me, these lil' niggas goated

Yeah, yeah, yeah, yeah  
I can snatch a bitch, Cuban link with a white tee  
Treat her like a dog 'cause this bitch ain't a wifey
