

# Wait Your Turn

DC the Don

Baby it's no rush  
You gotta wait your turn yo  
Baby when you cut it burns yo  
Where you at I'm still concerned yo  
I'm going back I guess I never learn yo

Take me  
Nearly broke my heart  
But it's okay b

This not breaking up this me escaping  
Trapped inside your hold it feels amazing

Don't hate me  
And we're aging

Fuck this teenage angst  
I'm always angry

You can wear me down  
Just don't break me  
I'm still losing pieces  
On the daily

Shawty where is you going?  
We gotta long ass time here  
I think you stole my heart  
It smells like crime in here

I think it has to be  
Cause you can't keep a straight face while you're mad at me

I'm running laps over yo ex he not as fast as me  
That nigga lame I swear to God he never passing me

He work on music too  
But all these niggas trash to me

I tried to show you love  
But you damaged the last of me

It can be a lot worst you know  
I didn't mean that shit don't take it personal  
Drowning in my tears  
While you were surfing yo

Yeah I know I fucked up but I don't deserve this no

Baby it's no rush  
You gotta wait your turn yo  
Baby when you cut it burns yo  
Where you at I'm still concerned yo  
I'm going back I guess I never learn yo

Take me  
Nearly broke my heart  
But it's okay b

This not breaking up this me escaping  
Trapped inside your hold it feels amazing

Don't hate me  
And we're aging

Fuck this teenage angst  
I'm always angry

You can wear me down  
Just don't break me  
I'm still losing pieces  
On the daily

So if you wanna know  
Here it goes  
Gonna tell you this  
The part of me that shows  
If you're close  
I'm gonna let you see everything  
But remember that you asked for it I'll

Try to do my best  
If you want it  
I ain't finna come and beg for your respect

If it's no then Ima go back and just stay in my lane  
Cause I'm way too up to fight for your love

Way too up but the long way  
She built a crib inside my mind she in the hallways  
I tried to make it right but end up in the wrong place  
If you hate me so much let's see how you feel when I go away  
(Let's see)

You gotta wait your turn yo  
Baby when you cut it burns yo  
Where you at I'm still concerned yo  
I'm going back I guess I never learn yo
