

Listen
Do you love me?
Woah, do you hug me? Mmh
Do you wanna be loved?
Do you wanna make love?

Put it in rotation, send your location
We only got tonight, baby
Fire that blunt up, then we
Put it in rotation, send your location
We only got tonight, baby
I'ma have you singin' like
Woah-oh-woah-oh-woah, woah-oh-woah-oh-woah, woah-oh-woah-oh-woah
Twenty-four hours 'til we get it in
Woah-oh-woah-oh-woah, woah-woah-woah-oh-woah-oh (Mmh)
Twenty-four hours 'til we get it in

I might just pull up on you if you tell me you want it, no, fuck that, you need it
And when I pull up, girl, this dick that I give you gon' make you repeat it
Lil' bitch, I'ma beat it, beat it, beat it, beat it
Beat 'til I know that pussy is defeated
Too savage, that pussy signed a peace treaty
Swallow even though she vegan
Gotta leave that pussy leakin', woah

I made the groupchat this week
Got you dream chasing like Meek
I made a left down your street
Yeah, I'm everything in person and a freak
I got her down on her knees, she keep her mouth up on me all night

Put it in rotation, send your location
We only got tonight, baby
Fire that blunt up, then we
Put it in rotation, send your location
We only got tonight, baby
I'ma have you singin' like
Woah-oh-woah-oh-woah, woah-oh-woah-oh-woah, woah-oh-woah-oh-woah
Twenty-four hours 'til we get it in
Woah-oh-woah-oh-woah, woah-woah-woah-oh-woah-oh
Twenty-four hours 'til we get it in

There ain't no time to be wasting
A lot on my mind, come and take it off, woah
Pour you some wine and roll me a blunt
All of my love is real, all of my love is real, yeah, woah

I made the groupchat this week
Got you dream chasing like Meek
I made a left down your street
Yeah, I'm everything in person and a freak
I got her down on her knees, she keep her mouth up on me all night

Put it in rotation, send your location
