Went to sleep dreamin' 'bout money
Woke up, then I ran to it
Y'all niggas no manhood
Y'all broke niggas on canned goods
All my niggas from the same hood
All my niggas do the same thing
Gave my brother couple stab wounds
But he hopped out like I'm damn good, yeah
They laughed us up out the fuckin' kitchen
And now I'm right here back up on the stitch
Don't worry 'bout that tape, it's on the way (Yeah)
