

Gettin Outta Hands

DC Young Fly

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Shit gettin outta hand
Trying to come up with a plan
They don't understand
That I'm only one man
Man I tried to lay my head
Got me rollin on that gas
Lil baby get you and your friend
Good God almighty look at that body
Twerk twerk that body
Residue up on my hands
Last night you could be playin
So many shots just like [?]
But I made it home

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Shit gettin outta hand
Know that I be fly
Fuck your comments like this
Laid down so I'm comin back right quick
I'm a come up with the right fit
Fell down but I came back, Mike Vick
[?] cause you might see
Sometime my brain like a lightswitch
Cause I'm a roller
DC, man I'm a soulja
And I'll die for mine
I want them dolla signs
You keep that pussy wet

I be like come here baby
Got the double devil on my back
With the strap on my lap
I'm bout to fool, make em laugh

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
Man shit gettin' outta hand

Residue up on my hands
Tryin' to come up with a plan
By myself dodgin' the man
Man shit gettin' outta hand
