

Pretty Lady

DC Young Fly

Nard & B

Ayy, pretty lady, ayy, pretty girl
TrenchWerk

Ayy, pretty lady, ayy, pretty girl
Way you be movin' you rock my world
I just wanna show you off
I just wanna show you off
I just wanna show you off
I just wanna show you off

Ha, ayy, pretty lady
Ayy, pretty girl
Bring all your friends 'round
You rock my world
The way you move to the beat now
Don't have to beg you to come around
I had to take a seat, now
You shakin' my heart around

One time, oh yeah, one time, now
Two time, oh yeah, two time, now
Three time, oh yeah, three time, now
You got my love, baby

Ha, ayy, pretty lady
Ayy, pretty girl
Ayy, pretty lady, ayy, pretty girl
Way you be movin' you rock my world
I just wanna show you off
I just wanna show you off
I just wanna show you off
I just wanna show you off

You not a one time, baby
The other girls in line, baby
You smokin' on your own ganja
You love it when I call you mama
You runnin' through my head right now
We can fuck anywhere right now
Your past dude, got 'em scared right now
You got my love, I can say it right now

One time, oh yeah, one time, now
Two time, oh yeah, two time, now
Three time, oh yeah, three time, now
You got my love, baby

Ha, ayy, pretty lady
Ayy, pretty girl
Ayy, pretty lady, ayy, pretty girl
Way you be movin' you rock my world
I just wanna show you off
I just wanna show you off
I just wanna show you off
I just wanna show you off
