

# Right Now

DC Young Fly

Yeah  
Nard & B  
TrenchWork

I just wanna be alone right now  
It seem like that a nigga doing wrong right now  
Got money and bitches  
Got a nigga in the zone right now  
Tryna tie me down, yeah  
That ain't really going on right now  
That ain't really going on right now  
Yeah  
That ain't really going on right now  
That ain't really going on right now  
Yeah  
That ain't really going on right now  
That ain't really going on right now

Look, that ain't really going on right now  
I just wanna lay back with a couple bitches  
Then I smoke gotta smoke right now  
Everybody in there zone right now  
Yeah, I know you got a kid right now  
Look, you ain't going home dead naw that ain't it right now  
A father, a home let me pick right now  
I'm a make sure my look go straight right now  
You never finna use that as an excuse  
That ain't ever played right now  
Uh-uh we naw finna bed right now  
Never leave you before your love right now  
Make sure you love right now  
Hit it up right now  
Make sure the dollars get up right now

I just wanna be alone right now  
It seem like that a nigga doing wrong right now  
Got money and bitches  
Got a nigga in the zone right now  
Tryna tie me down, yeah  
That ain't really going on right now  
That ain't really going on right now  
Yeah  
That ain't really going on right now  
That ain't really going on right now  
Yeah  
That ain't really going on right now  
That ain't really going on right now

Don't get me wrong  
If a nigga put their hands on you, then I'm coming out  
I can be at a show, on some Kanye shit  
All it take is one call and I'm running off  
Man, I know ain't right right now  
You want me in your life right now  
Want me by your side right now  
You don't wanna say bye right now  
And your gonna lie right now

And make me wanna cry right now  
'Cause you taking my daughter  
That my life right now  
Let me run these stacks right now  
If it's destined for us, then sooner or later I'll be back right now  
Got a mansion, a bank account fat right now

I just wanna be alone right now  
It seem like that a nigga doing wrong right now  
Got money and bitches  
Got a nigga in the zone right now  
Tryna tie me down, yeah  
That ain't really going on right now  
That ain't really going on right now  
Yeah  
That ain't really going on right now  
That ain't really going on right now  
Yeah  
That ain't really going on right now  
That ain't really going on right now
