I'm so tired of gettin' by-y-y  
That's no lie-ie-ie  
Sometimes the pain make me cry-y-y  
Keep my head in the sky-y-y, hey  
I said, I said, I said, I'm tired of bein' broke  
I said, I said, I said, I'm tired of bein' lonely  
I said, I said, I said, my niggas out here strugglin', hey  
That's why I gotta keep on hustlin'  
I said, I said, I said, I'm tired of bein' broke, hey  
I said, I said, I said, I'm tired of bein' lonely  
I said, I said, I said, my niggas out here strugglin', hey  
That's why I gotta keep on hustlin', what, yeah-yeah-yeah

Look, I don't wanna lay a nigga down, hah (Mh-mhm)  
See them days, they are over  
See I was servin' crack fiends, whoa  
Better check my rap sheet, whoa  
Nigga say my name in a song, well  
I ain't really into rap beef, no  
Niggas know what's happenin' 'round here  
From the West Side of Atlanta, ain't no cappin' 'round here  
You fuck around and get killed for all that actin' 'round here  
I'm just keepin' it real, yeah

I'm so tired of gettin' by-y-y  
That's no lie-ie-ie  
Sometimes the pain make me cry-y-y  
Keep my head in the sky-y-y, hey  
I said, I said, I said, I'm tired of bein' broke  
I said, I said, I said, I'm tired of bein' lonely  
I said, I said, I said, my niggas out here strugglin', hey  
That's why I gotta keep on hustlin'  
I said, I said, I said, I'm tired of bein' broke, hey  
I said, I said, I said, I'm tired of bein' lonely  
I said, I said, I said, my niggas out here strugglin', hey  
That's why I gotta keep on hustlin', what, yeah-yeah-yeah

My partner died, that's a funeral  
Locked up in my cubicle  
Couldn't even make bail money  
Goin' to court suited up  
I shoot shit, don't hang with him  
Get you hit, I ain't new to this  
I'm true to this, I'm used to this  
Bah-bah-bah, act a fool with this  
One cousin out, one cousin in  
Gotta get him out, spendin' benjamins  
When I was down bad, had a couple friends  
Where these new niggas came from? Ayy  
Talkin' 'bout friends, I need none  
Fuck you mean?

I'm so tired of gettin' by-y-y  
That's no lie-ie-ie

Sometimes the pain make me cry-y-y  
Keep my head in the sky-y-y, hey  
I said, I said, I said, I'm tired of bein' broke  
I said, I said, I said, I'm tired of bein' lonely  
I said, I said, I said, my niggas out here strugglin', hey  
That's why I gotta keep on hustlin'  
I said, I said, I said, I'm tired of bein' broke, hey  
I said, I said, I said, I'm tired of bein' lonely  
I said, I said, I said, my niggas out here strugglin', hey  
That's why I gotta keep on hustlin', what, yeah-yeah-yeah
