DD Osama

Got a bad lil' bitch, she be shakin' that ass
She be totin' my knocka, in her bag
She don't care 'bout nothing, all she want is racks
So I give her a few, and I'm breaking her back
That's how I sound when I'm breaking her back
I'm a 48 baby, thirty on my life
You try to push up, tell lil' bro I'ma (Pow, pow, pow)
And, on bro, I'ma flick, I'ma have to put you in a spliff
Me and my bitch, gon' slide some shit
Unlimited chops, when we hang out the whip
Like, all my bitches open, they got some motion
"DD, where you get your drip from?" Nigga, this explosive

Boom, where you get your drip from? (Who?)
I've been winning, feel like I'm Poo
Cause I put that shit on my shoe
I'm shitting on bitches, and these niggas too (Grahh)
Me and DD, we back in the stu
Fuck, the feds probably listen, too
Fuck, they gon put us on the news
I know I'm the king of the youth (Like)
And promoting violence is not what I'm tryna do
I like talkin' 'bout it in the booth
Fuck, I like talkin' 'bout it, too
Duck, 'fore I hit your whole crew
Up, heh, I don't give no fuck
Young, and I'm turnt, both my wrists bust
Oh, that bitch wasn't tryna fuck?
She came around, like the wheels on the bus
Like, for us, huh, for the team
You could hit up Mabu, for the beam
If you know, then you know, you mean?
Like, just touched down, and I'm in the eight
Mabu just gave me the pole, so I'm safe
He got a Glock, that's under his name
But, fuck it, he gave it to me, anyway
But, fuck it, I gave it to him anyway
Up it, it's my turn to take the case
Fuck that, Mabu, we doing a race (Skrr)
I'm rich, I never want to hear free me
Move smart, but I told DD
I want a .30, come on brody, TP
