In the field like a sack
In the backseat with the MAC
Got athlete's foot, we run them down on that
Left his brains out, have the wig out
No kids out
His mama on the scene like "Damnnnnnn"
Notti bop and you'll get popped
Like a hair stylist, hit his dreadlocks
Cut 'em off 'til he fade out
Like a Ku Klux keep K's out
Yeah, ransom what we hold you

Put him on a TV, old news nigga
