

Pelle

DD Osama

(Yo, Lucas, you heard?)

Future

You know what the fuck goin', man, 1417

They can't stop me, I'm one of the greatest (On bro)

'Member nights, me and Notti was flamin' (Like)

I was out two deep, saw a opp and we chased him (We chased)

Now-nowadays, in the city, it's dangerous

And I heard I can't go to the Bronx, and the what? (What?)

Catch me over there with just me and my gun (Me and my gun)

I put ten on his head just for fun

Get him done, new opp nigga stuck in my blunt (Baow, baow, baow)

You got the knocky in here? Baow (Like), nigga, you better flip (On bro)

If not, nigga, get out the whip

'Cause they mention the bro, so we takin' trips (So we takin', baow)

Like, oh, you want a chain? Better take that risk (Better take that)

Want your award? Better dump that clip (Better dump that)

Like, ain't no pussy niggas on my strip (At all)

My killers gon' kill 'cause they know that I'm rich

Back then, had a Northface, never had a Pelle

Outside, me and Notti was reckless (We was reckless)

When I got shot, some niggas, they got jealous

But the bitches, they thick and they ain't have a beverage (Ain't have a-)

Rest tell me I'm the heart of this shit

Only seventeen, watch how far I'ma get (Watch how far I'ma get)

Yeah, I'm a star, but I'm sparkin' this shit

If the opps in the V, then we parkin' that whip (Baow, baow, baow)

They can't stop me, I'm one of the greatest (On bro)

Get him done, new opp nigga stuck in my blunt (New opp)

Niggas scared, they ain't comin' outside

Like I said, you ain't flick, then you ain't one of mines (You ain't one of mine)

Like niggas laced, niggas lost they minds

Why the fuck is you flickin' and you closin' your eyes? (And you closin' your eyes)

I'm tryna slide, so you better provide

But if we go slide, better dope out nine (Baow)

Free all of my brothers that's locked, doin' time (Free the guys)

I do it for the ones that I got in the sky

With lil' bro, hope we don't indicted

Bro got caught with the ratchet, so he gotta fight it (Free bro)

Mama love, told me, "Stay out the street," but this gun in my mind, shit get me excited (On bro)

Niggas buck, what the fuck is they on?

If you really my brother, I'ma tell you you wrong (Day, day and-)

Day and night, outside with that chrome

If a nigga move funny, we gon' get him gone, nigga (Baow, baow, baow)

They can't stop me, I'm one of the greatest
