

Yeah, uh  
Oh, oh, oh  
Yeah (Fuck you, mudd), yeah

Yeah, I'm a rockstar  
I'm doing shows out of my state, feel like a popstar  
I poured the lean inside my drink, I call it Wockhardt  
And I'ma do this for my brother 'til I'm at top chart  
'Cause you know that's my heart  
Yeah, yeah, yeah

I go back to the hood whenever I want, just to visit my grandma and give her a hug  
Ain't nobody say none, I do what I want  
'Cause they know I'm the heart of my hood  
One day we all gon' be good  
And I'm gon' do everything I should  
Got my mother right and my sis' right  
Go back, go buy the whole hood  
(No, woah, why did you go?  
I don't wanna feel this pain anymore  
I don't wanna go through this anymore)  
Yeah, yeah, yeah

Yeah, I'm a rockstar  
I'm doing shows out of my state, feel like a popstar  
I poured the lean inside my drink, I call that Wockhardt  
And I'ma do this for my brother till I'm at top chart  
'Cause you know that's my heart  
Yeah, yeah, yeah

I remember them days on the block  
It was me, Lil Notti and Three with the nine (Blaow)  
Bro said, "Don't move so hot"  
If we was hitting opps, then we throw shots  
And I'm mad they thought that day, that day was only day we had no knocks  
I just keep thinking about the day, if I catch that goofy, I'm lettin' it flock

Yeah, I'm a rockstar  
I'm doing shows out of my state, feel like a popstar  
I poured the lean inside my drink, I call it Wockhardt  
And I'ma do this for my brother till I'm at top chart  
'Cause you know that's my heart, yeah, yeah, yeah

No, woah, why did you go?  
I don't wanna feel this pain anymore  
I don't wanna go through this anymore
