

Big Boat

DDG

SKTDDG, that's always

It's DDG, I don't know no SKT
Boy, quit playing you know you a fan of me
Iced out, and my neck look like pee
You don't know me? Alright, nigga, we gon' see

(Fuck Yachty)
I ain't lame, I ain't broke, bitch, I'm buzzin'
Diss me back and I'ma feature Joe Budden
DJ Akademiks gon' report somethin'
Somebody tell India that I'm fuckin'
Do a vid then I collect my pay
About your album, I have nothing to say
Take a nigga fans, take a nigga base
(You don't know me? You gon' know me today)

Harley, Harley, Harley, Harley, Harley, Harley
Your album sorry, sorry, sorry, sorry, sorry
B-bitch, I'm gnarly, gnarly, gnarly, gnarly
Ain't from the D, but my Buffies are my Cartis
Run a nigga out his motherfuckin' socks
You're only poppin' because of Sensei Le Fox
You don't know me? Why you boostin'? You should stop
You hella ugly and yo head built like a mop
Your hair built like some dirty ass Cheetos
India said you annoyin' like mosquitoes
Bitch I'm poppin', middle finger to your ego
10 for album but you know it should be free though
